JOHN NICHOLS

John, Jim, God & new year
Get to know you
Good luck. Love, Chris

Johnny,
Will its funnally
over. I to been
great. I've parties
were the best I brought
well take care and
good luck. See ya at
the parties my house
the 27th Take Care Love
Mike Doo

Big John,
I've shown you for awhile
you a great kid. Always remember
all the fun we had. Good luck
in whatever you do.
Take it easy dude!
Chin

John
Good Luck
Next year at
College. I'll
see you over
the Summer. endless
parties your friend
Bob
Feb 4

Big John,
Well ya made it!
Congratulations! Don't ever
forget the good times down the
old furber last w/ Karen, Murray & good luck
Have an excellent summer & good luck
next year in whatever you do,
your friend
Maryann

John
I know
we really never
meet but you
still let me have to
Drive your car over
the summer so lets
make it a Date
have fun
Viola

John,
Have a
good summer
probably see
you during
it many
parties

John,
Good luck in
whatever you do
and at Shop-Rite!
you'll need it.
Thanks
home from work

John,
Good luck
in the Navy.
I'll never
forget (except
New York).
and I'll never
forget (except
New York).
and I'll never
forget (except
New York).

Take Care
Pal.
Ronnie

John
good luck
in the Navy
and at Shop-Rite!
you'll need it.
Thanks
home from work

Ferry

I John, glad
to know
you got to summer
adventure to
Great Adventure Park.
My sipped love,
Keep in touch
John, Sheri

John, it was
GREAT KNOWING YOU
HAVE FUN IN THE
FUTURE LOVE
her 398-6287

Call

John

I hope we
can have a party
at my Tati's house
over the summer
so we can get
drunk, dance, and
maybe hit the
bar and punch
some walls!
good luck
Scott

LAURENTIAN 1982

**Hopatcong High School
Hopatcong, New Jersey**

HOPATCONG

homes and hearts are
here

I enjoy living in Hopatcong because ...

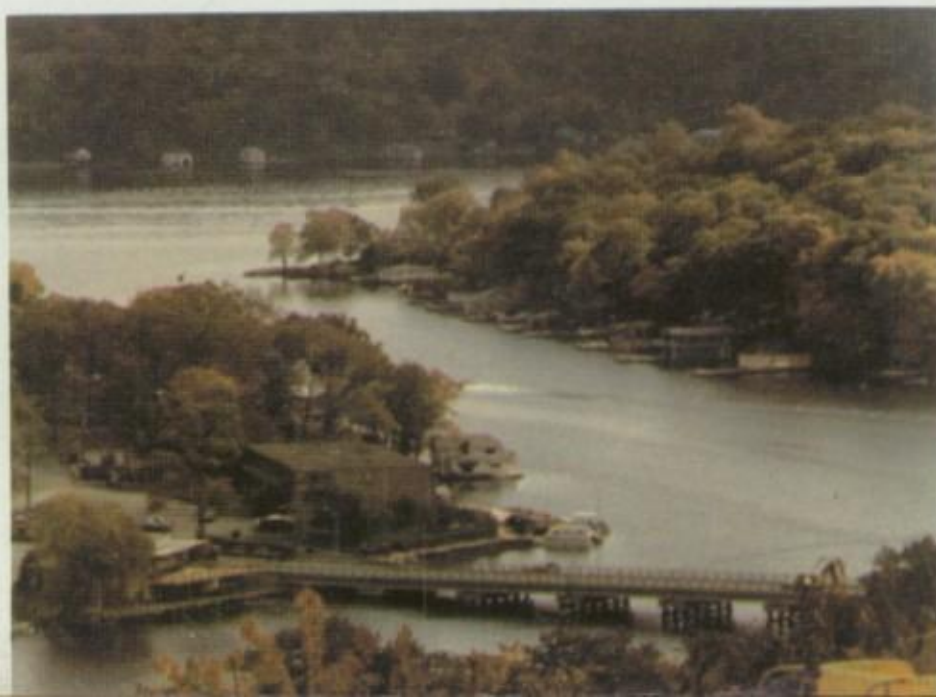

... I think it is a truly a beautiful area. I consider myself lucky to live where I am surrounded by such natural beauty. (A. Plasencia)

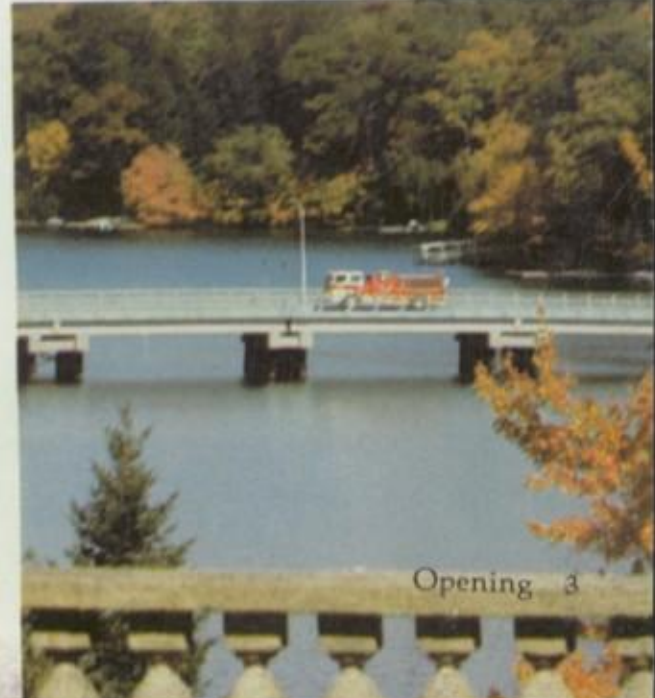

... I can not imagine being anywhere else. I love being near the water and close to where my friends live. (V. Sklenar)

... it's a town that knows how to party. (V. Luciani)

... my best friends live here, and I would not trade them for anything. (K. Curry)

... I love living on the lake. (V. O'Grady)

HIGH SCHOOL

four years never forgotten

High School years will be memorable because . . .

. . . of all the great times with my friends in school. These are memories I can keep, savour, and nobody can take them away. (M. Aguilar)

. . . of the crazy and beautiful people who made the tough times a little better and the bad times seem almost good with just a word or a smile. (P. Marziali)

. . . there was rarely a dull moment. (K. Kalp)

. . . you only go to high school once in your life. It is a time of going to crazy parties, learning about your friends, and learning about yourself. (A. Freericks)

. . . we may lose touch with our friends and want to look back remembering how much fun it really was. (S. Selleck)

CLASSES

the best and worst of times

I enjoy class most when ...

... we get off the subject of class and talk about life. (S. Grabicki)

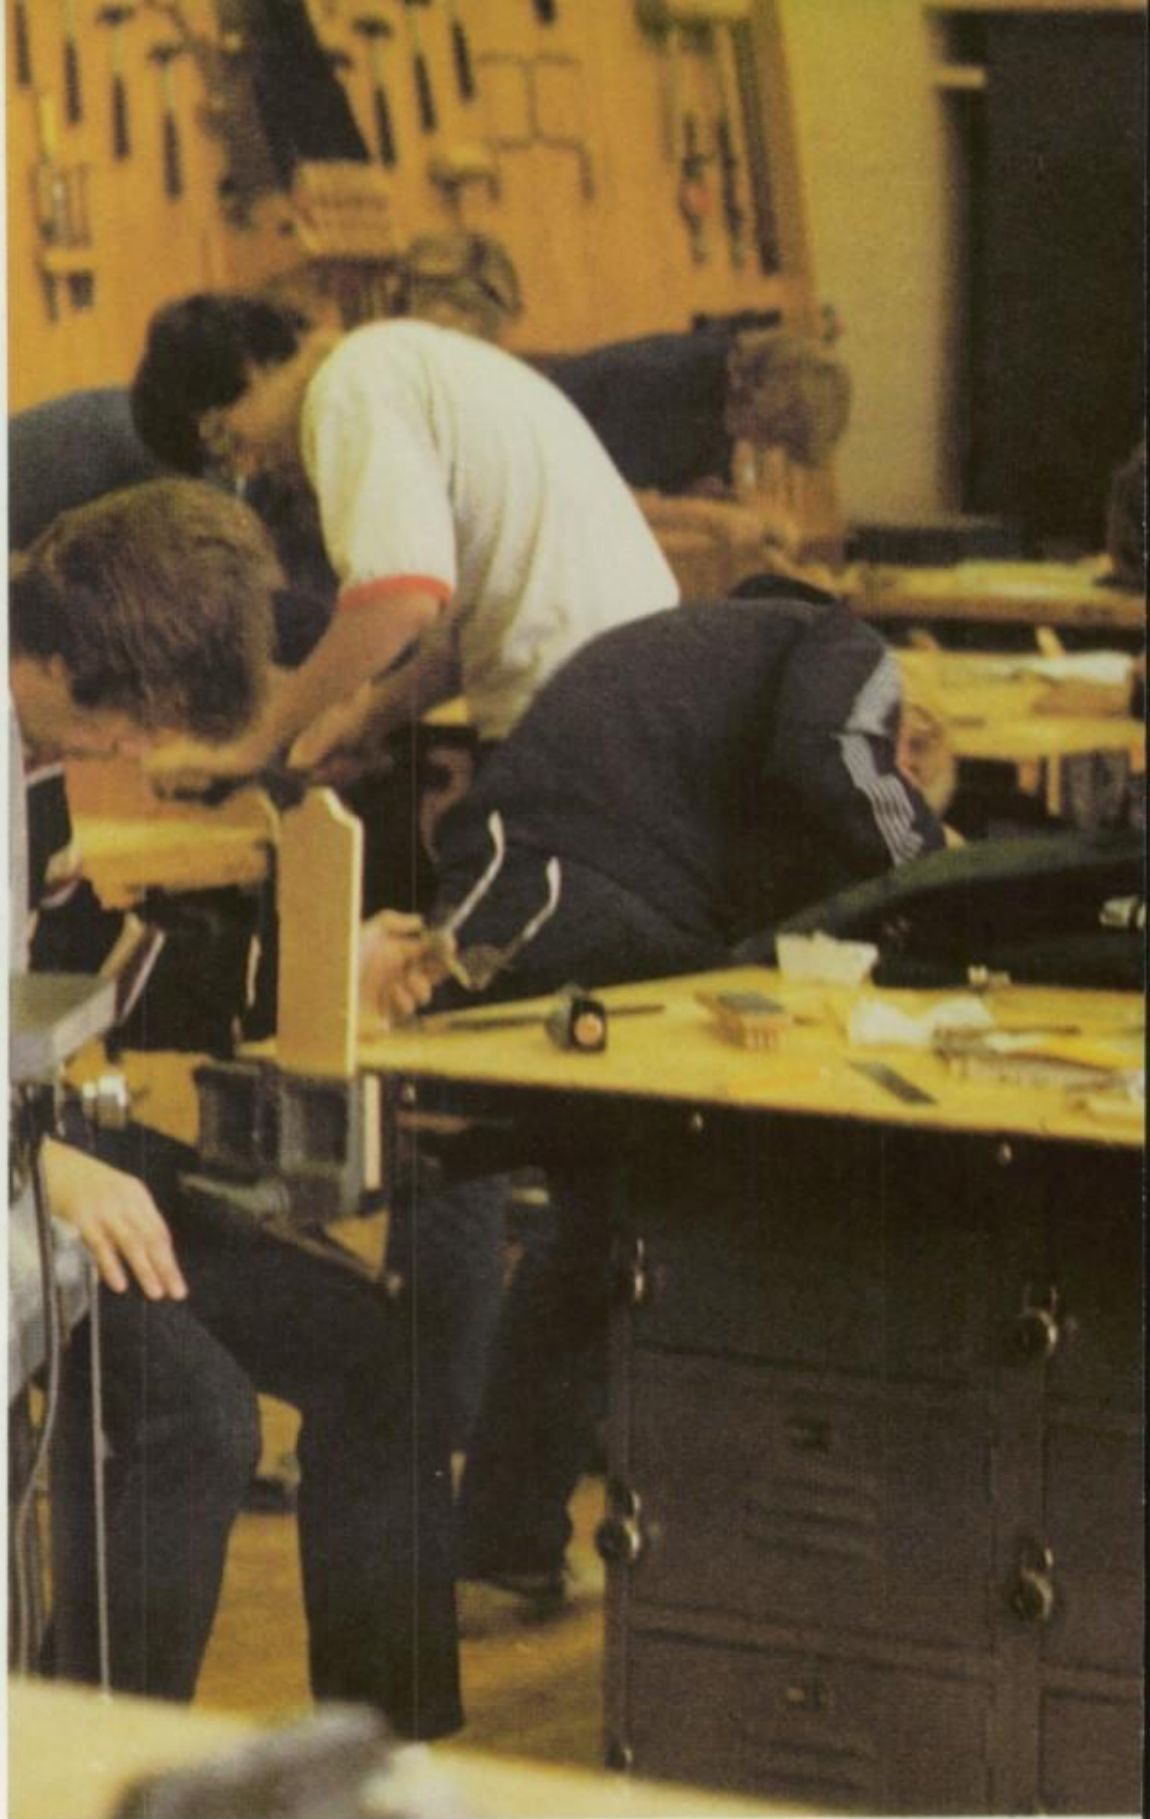

... there is a good looking guy sitting next to me. (S. Ruffolo)

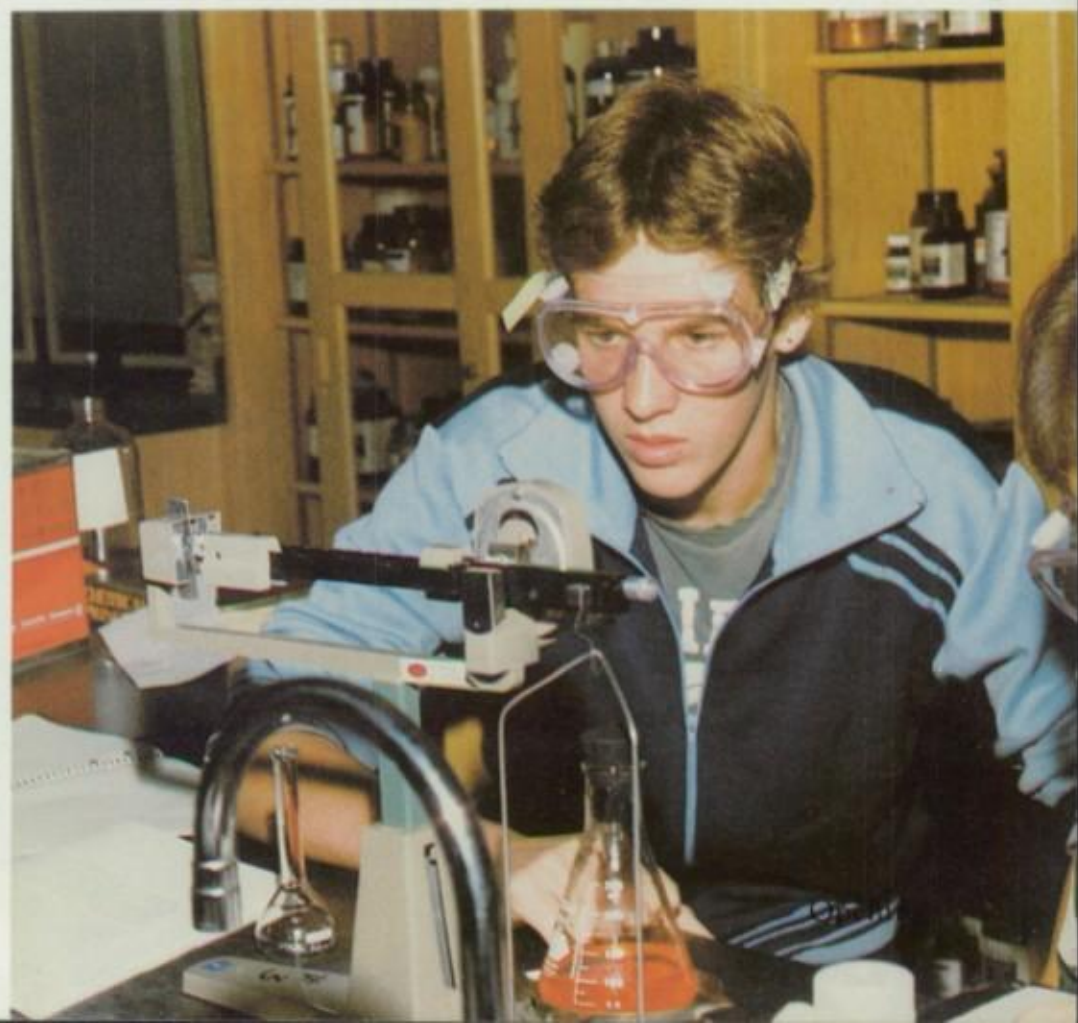

... the class turns a lecture into a discussion. (M. Davis)

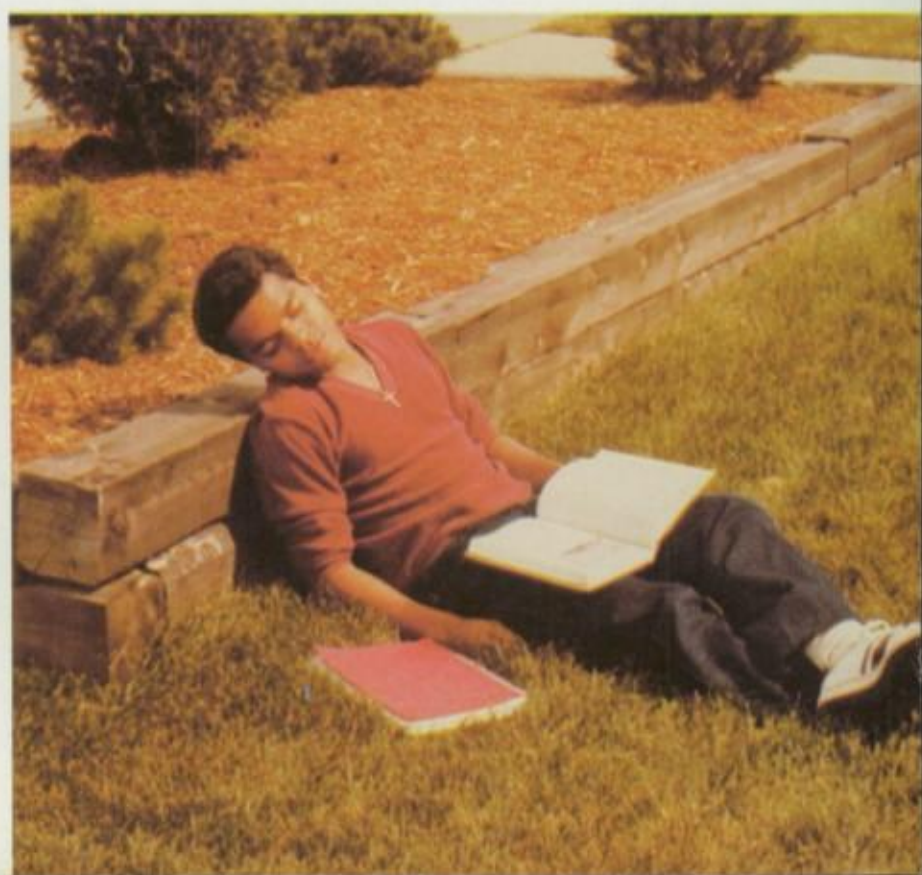

... the teacher says, "No Homework!" (T. Grillo)

... the teacher gets involved and treats the students equally. (K. Kilcher)

... there is a substitute. (L. Magnussen)

LEISURE

free to be you and me

Whenever I have some free time in school I like to spend it . . .

. . . talking with my friends and old teachers because I'll never have this time again. (L. Bostedo)

. . . thinking about the future. (J. Ralston)

. . . "Partying." (A. Thompson)

. . . associating with people and making new friends. (R. VanderPaauw)

. . . trying to figure out the mystery of Rubik's Cube. (J. McCaffrey)

. . . in the gym watching all the girls do their exercises. (D. Berardone)

ACTIVITIES

choices that made a difference

My favorite school activity is . . .

. . . all sports, because players and spectators can participate in the excitement of competition. (C. Kopec)

. . . basketball games because of all the spirit and excitement that fills the gym. (K. Fox)

. . . drama club; I love the plays. (H. Quenault)

. . . soccer, because it is the most popular team sport in the world. (D. Chiariello)

FRIENDS

through thick and thin

In these years my friends have been ...

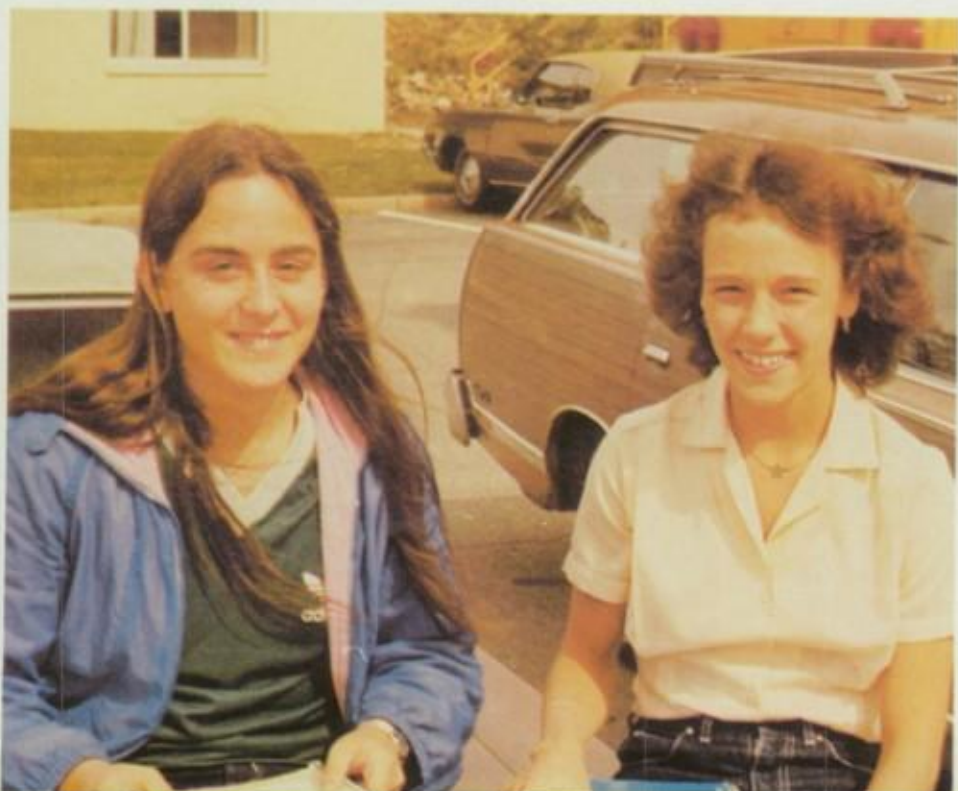

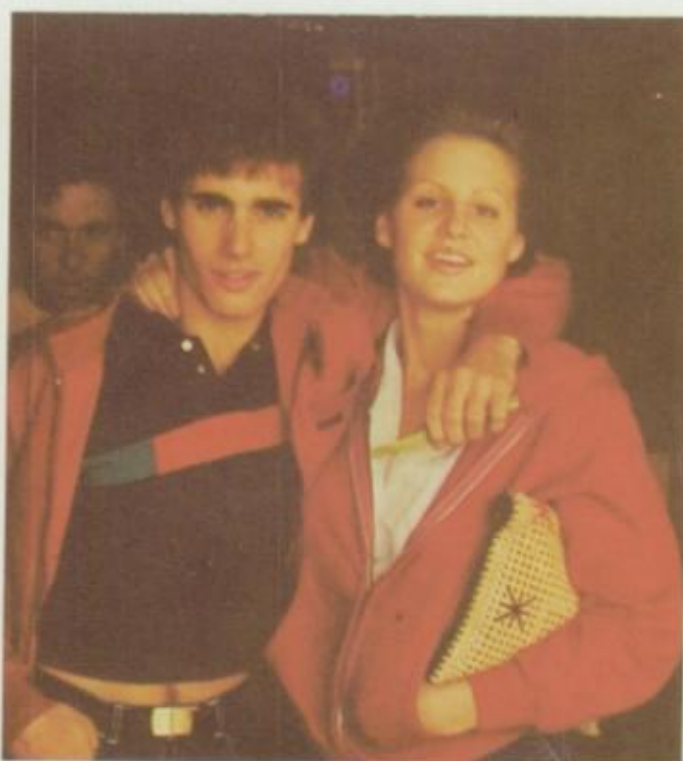

... a support that has enabled me to make it through the difficult times. Even though I must leave behind people I have felt close to, they will always be in my thoughts. (B. Cruz)

... there when I needed them. (C. DeCoursey)

... right behind me in the tough decisions. They were there to give me a smile when I was feeling down. I will never forget them. (K. Urban)

... trying at times, but very influential and understanding. (D. Prochaska)

... such good company. (P. Underhill)

SENIORS

the brightest and the best

The best thing about being a senior is . . .

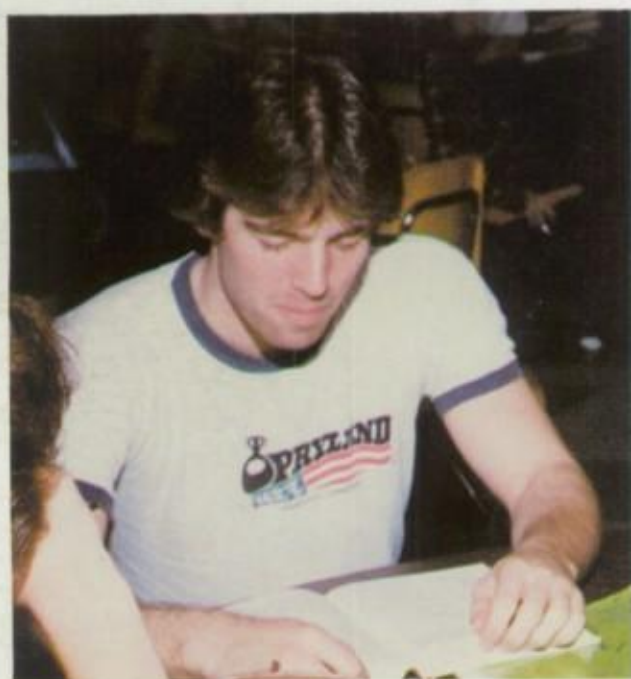

. . . knowing that your life is just about to begin. Soon you will be treated as an adult. (E. Poss)

. . . the feeling of authority and security. (L. Perko)

. . . getting the chance to drive to school and watching your car get towed away. (E. Morales)

. . . watching the freshmen and remembering what it was like to be in their shoes. (L. Wright)

. . . knowing the next step you take is your own decision. (M. White)

Dedication

John Auwerda-Principal

Richard Fincken-Director of Student Activities - Athletics

The Senior class would like to express to Mr. John Auwerda and Mr. Richard Fincken, our sincerest appreciation for the time and effort contributed during the past four years.

As our principal Mr. Auwerda has shown us positive leadership, supported us willingly, and easily earned our respect.

Our new director of Student Activities and athletics, Mr. Richard Fincken, proved to be one of the truest friends of the class of '82. His loyalty and determination to make our class number one was undying and beyond our deepest appreciation. To the two guiding forces in the lives of many students of H.H.S., thank you.

Mr. John Auwerda

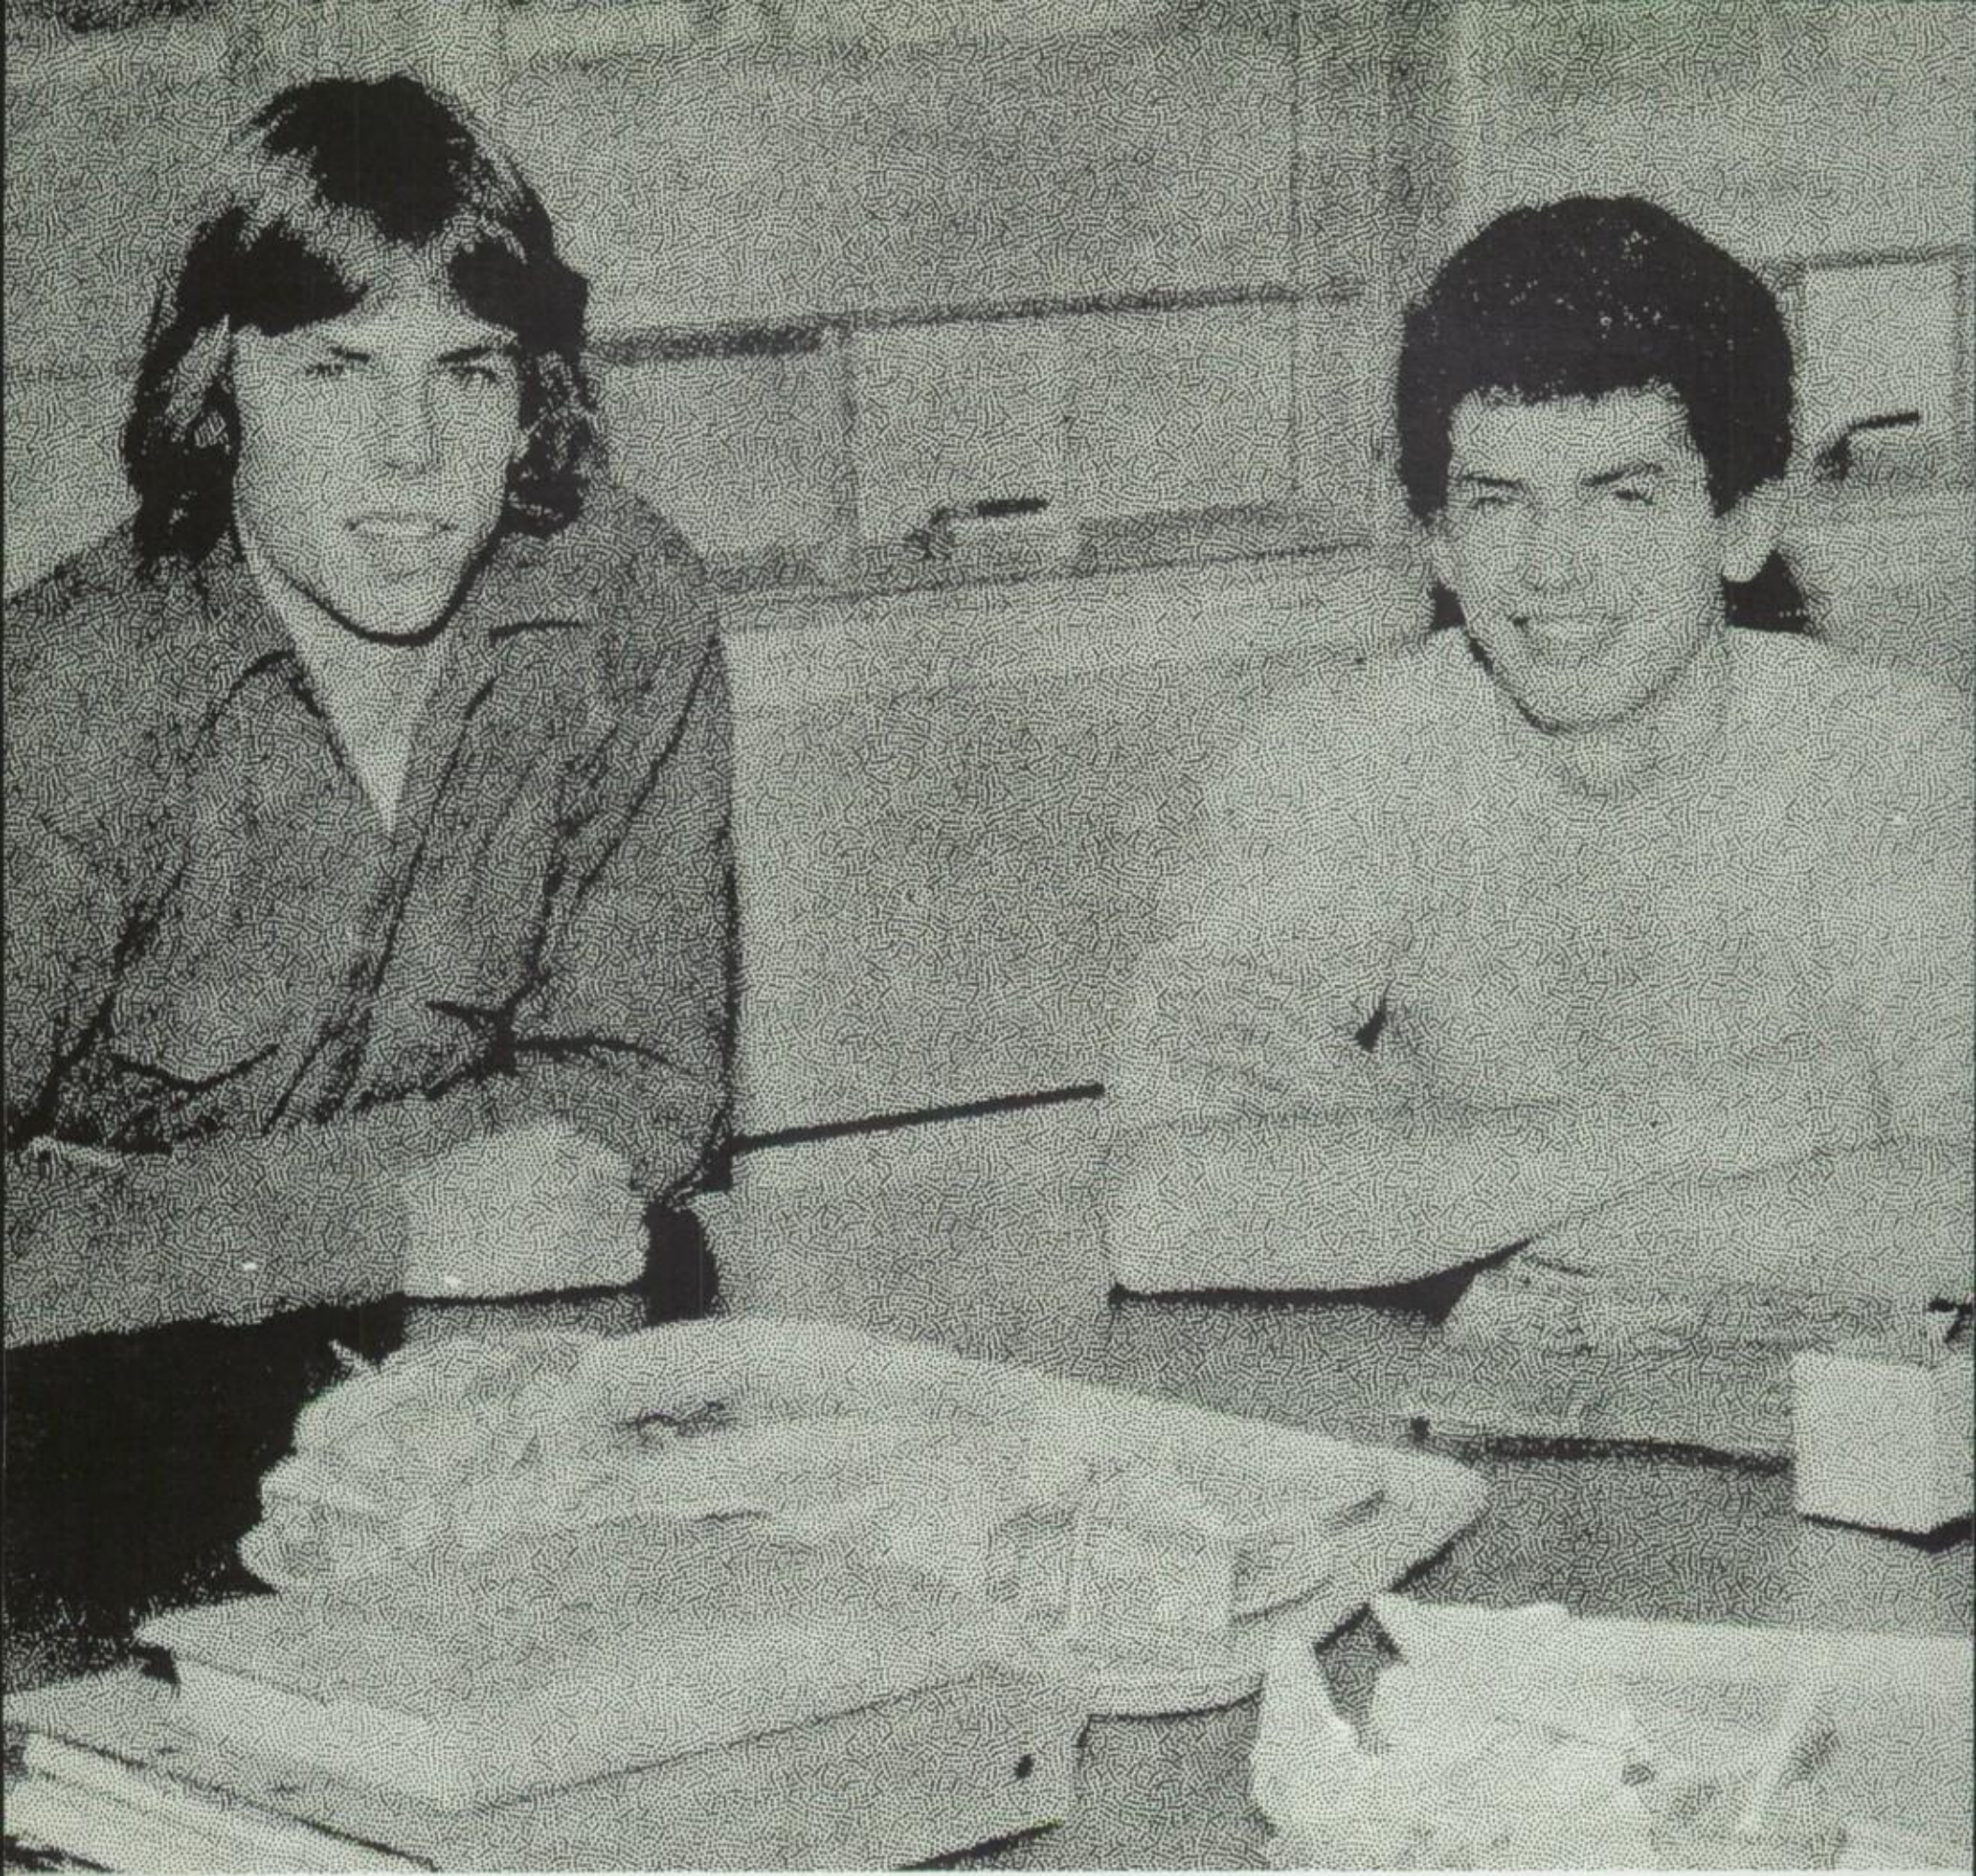

Mr. Auwerda was born and raised in Brooklyn, New York, and graduated from Brooklyn Preparatory School, Mt. St. Mary's College in Maryland with a Bachelor's degree in English and Montclair State College with a Master's in school administration. He taught English at Newton High School and the Ellen T. Briggs School in Jefferson Township, was assistant principal at Ellen T. Briggs School, principal of the Consolidated School in Jefferson, principal of the Arthur T. Stanlick School in Jefferson, and has served since 1967 as the first and only principal of Hopatcong High School to date. He is a member of the New Jersey Secondary Schools Principals' Association, past president of the Hopatcong Administrators' Association, a member of the Holy Name Society at Our Lady of the Lake Church in Sparta. He lives in Sparta with his wife and children.

Mr. Richard Fincken

Richard Fincken grew up in Clifton, N.J., graduated from Clifton High School, received a Bachelor's degree in physical education from Tusculum College in Tennessee, and Master's degree from Marywood College. He taught physical education for two years at Garfield High School, four years at Sparta Junior High School, and physical education at Hopatcong High School since 1969. He is presently serving as head basket ball coach and Director of Student Activities and Athletics. Through the years, he has coached basketball, football, and has served as a licensed baseball and basketball official. He lives in Fredon with his wife, Fran, and children.

Board Of Education

Superintendent

Assistant Superintendent

Administration

The high school yearbook or annual is a retrospective of those many activities and highlights which mark your senior year permanently in your minds.

The photographs and words recapture the spirit of this very important juncture in your life and assist you in remembering a face, recalling a place, reliving a game, or remembering a name.

My advice to the senior class of 1982 is to enjoy these memories, as their value will increase with the passing years. Let the mistakes of your past become the guideposts for your future; the successes of your past, the building blocks for the tremendous opportunities that lay ahead of you.

Principal's Message

Seniors, you have reached a major plateau in your lives. You have passed the endurance test of four difficult years. Hopefully, as you look back over the four years you can now say, "It was a good time."

As you leave H.H.S., we the faculty, hope that all your endeavors are met with success. We also hope that we had given you the basic tools to accomplish your future goals and congratulate you on your accomplishments over the past four years.

Best wishes

John Auwerda

Guidance

The H.H.S. Guidance department is designed to provide academic, vocational, and personal counseling to all students. Our guidance counselors offer students both educational and occupational information. They work with teachers, administrators, parents, and other agencies to help the students of Hopatcong High in any way possible.

An important addition to these standard guidance services has been the new career center. The Career Education Center seeks to provide, for all students, the resources necessary to pursue future college and career plans. Occupational pamphlets, college catalogues, film strips, cassette tapes, and the use of a computer are available to students and staff members.

English

The English department provides a comprehensive four-year program. During the freshman year, students are introduced to the short story, a play, and the novel. Sophomore English classes concentrate on American literature, while junior classes study English literature. The senior English class studies include journalism, creative writing, speech, and debate.

Foreign Languages

Our Foreign Language Department offers courses in Spanish, French, and German. The studies begin on the basic skills level and advance toward conversational practice and the study of foreign literature. Special stress is placed on composition and creative writing in the fourth and fifth years of each language.

Lorraine Carr

Diane Pittenger-Sheridan

Karen Reciniello

Robert Schray

Art

The visual arts program at Hopatcong High has a number of courses that offer career choices for some students and leisure activities for others. The student has a number of choices as to the type of art he is interested in, from drawing and design, to photography or painting, as well as ceramics, jewelry, and textiles.

Philip Hirlemann

Linda DiGiosaffatte

Industrial Arts

The industrial arts program at Hopatcong provides courses in wood, metal, welding, and mechanical drawing. Each is designed to offer students the use of all shop machinery. It is hoped that the student, using his accumulated knowledge, will be able to translate these skills to his professional or personal life as an adult.

William Long

William Lindaberry

Albert Lucas

Deborah Latronica

Wendy Wyman

Home Economics

Home Economics is a course dealing with food preparation and sewing. This course helps to prepare students for the duties of everyday life. Students learn to prepare nutritious meals as well as create stylish clothing.

Music

The 1981-1982 school year saw a refinement in the choral and instrumental programs. Mr. Menken and Mr. Schroth devised a rotating band schedule that enabled any interested students to participate. A greater number of students became involved in chorus and marching band, as well. The concert band and chorus performed two concerts this year.

Physical Education

Physical Education helps to keep all our students in good physical health. Students in both boys and girls gym classes participate in a variety of sports throughout the year. A physical fitness test is also given to all the students.

One marking period a year is devoted to health. Sophomores participate in a driver's theory class and take a state driving exam at the completion of the course.

Library Media

This year has been the first year that the high school has had total usage of the library. The library is opened to individuals as well as classes. Materials such as reference books, current magazines, a copy machine, and a typewriter are available for student use.

High School students are a part of the A.V. Services Club. Audio visual technicians specialize in graphic arts for publications, newsletters, and student brochures. Students run video taping equipment for school functions and athletic events, and they are trained in the operation of all materials used.

Lois Feakins

Fred Koenig

Patricia Hofmann

Eva Biasi (aide)

Business

Business courses prepare students who are planning to enter the business world. From typing to accounting, business students are taught with careers already in mind. Students also have the privilege of hearing guest speakers talk about many business careers. The school has done all that it can to provide updated equipment such as our memory typewriter.

Betty Ballard

Evelyn Congrove

Jean Fox

Mathematics

H.H.S. offers math courses ranging from the basic to the complicated. A student may begin with studies in General Math I, Consumer Math, or Algebra I and work all the way up to Trigonometry and Probability. Honors courses are offered for outstanding students in Geometry and Algebra II.

Richard Boos

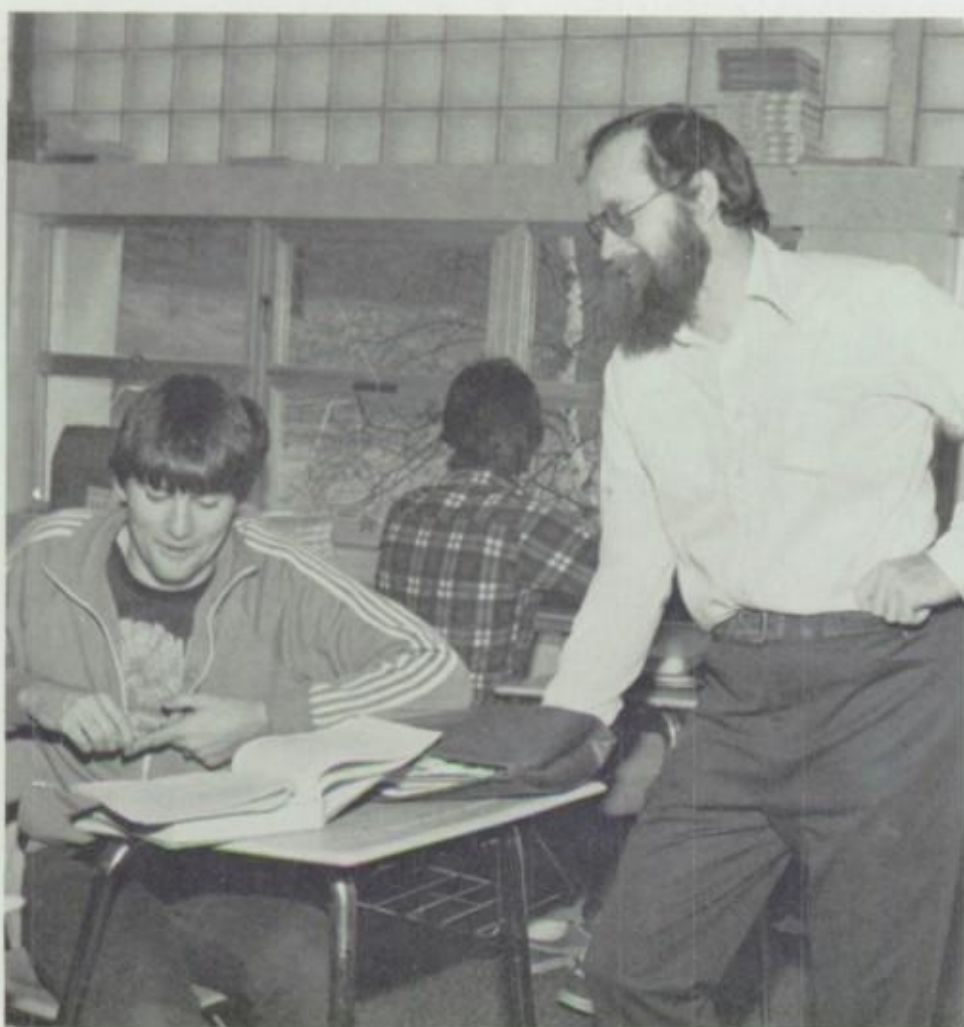

John Gallinot

Mary Jean Jedlicka

Joseph Kerick

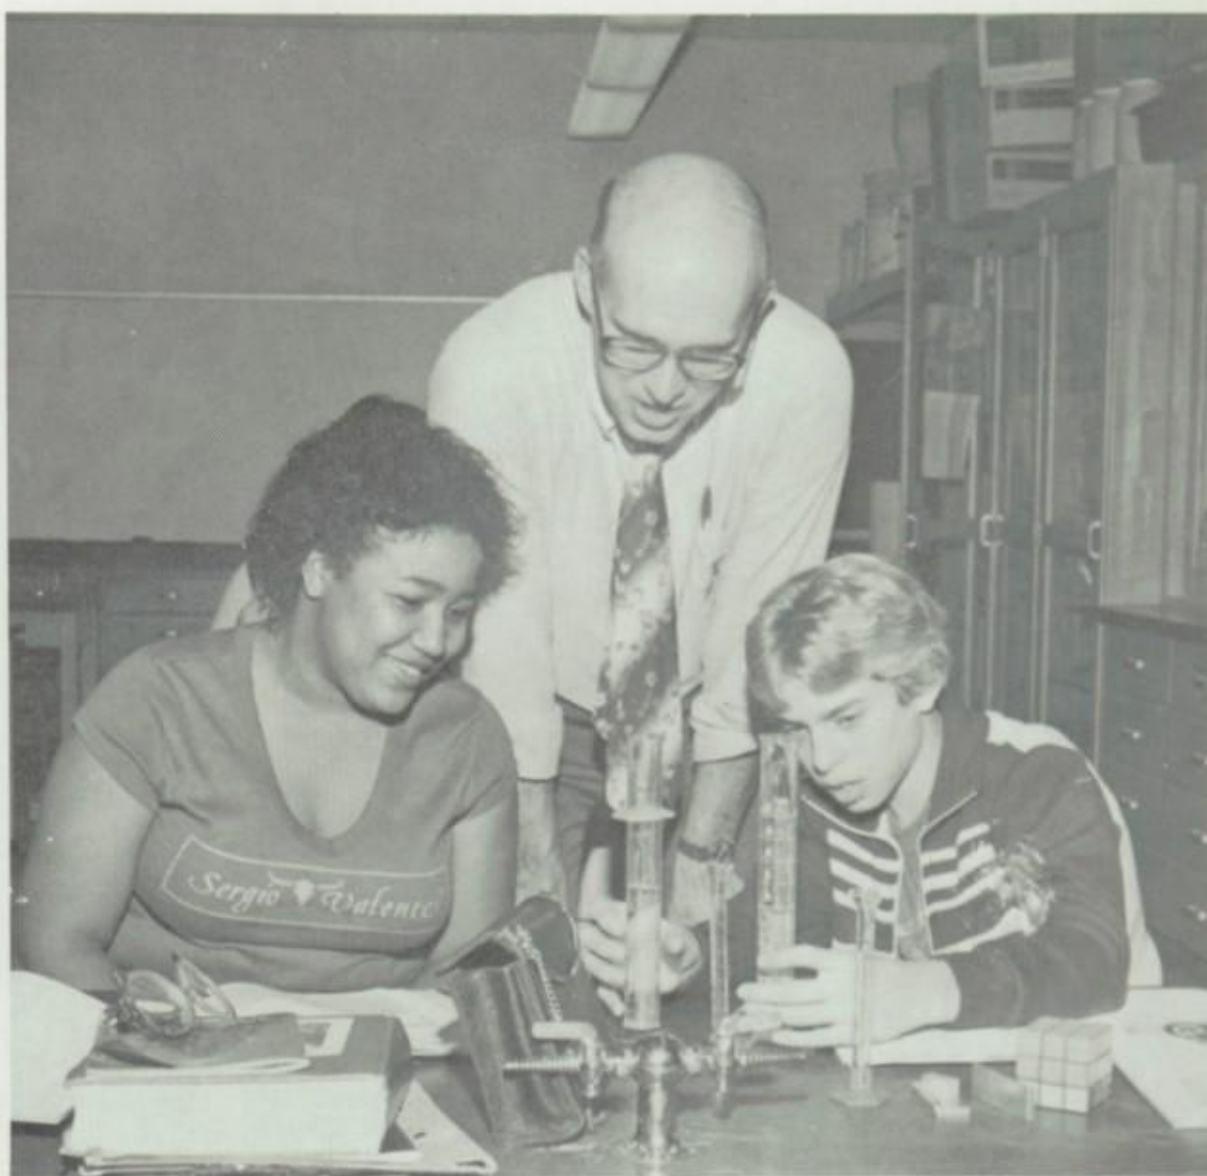

Jeffrey Wheeler

Janet Jania (aide)

Science

Our science program is based on career choices: health careers, liberal arts, pure sciences, electronics and engineering. These courses are designed to provide the student with a contemporary view of the physical world around him. Some courses are lab oriented and give students the opportunity to work with the latest equipment.

Rosina Proia

Social Studies

The Social Studies program covers contemporary issues, political issues, history of the United States and foreign countries, as well as sociology, psychology, and family living. The family living students explore the aspects of the family cycle and participate in a wedding near the end of the course. Students learn about their heritage in History I and History II, which are required courses for freshman and sophomores.

Special Education

This program serves students with special needs. Two resource rooms are available to help students better develop math and reading skills.

There are also two self-contained classrooms for students with common needs.

Compensatory Education

Compensatory Education is a program designed to meet the needs of students who need individual help in math and English. The Reading Center provides students with the opportunity to improve reading comprehension, refine communication skills, and experience reading as an enjoyable activity. Reading skills are further reinforced by utilizing English and other content area textbooks.

Judith Buzin

Co-operative Education

Co-operative Education is a work-study program broken down into three groups:

(1) D.E. - In distributive education, students prepare for careers in retailing.

(2) C.I.E.. - Co-operative industrial education prepares enrolled students for industrial careers.

(3) C.O.E.. - Co-operative office education prepares the student for office jobs along the secretarial and clerical line.

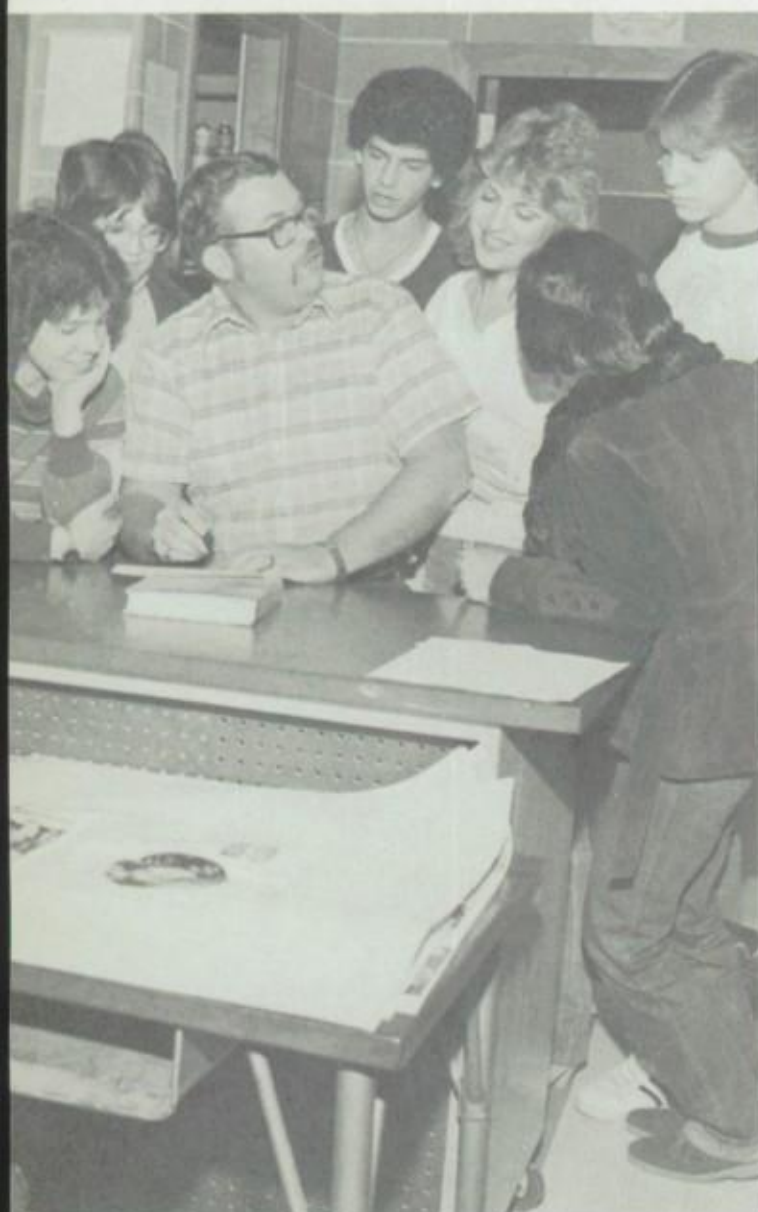

All three programs provide the opportunity for students to earn credits by going to school part of the day and working during the rest of the day.

SPORTS

Football

Football in Hopatcong has been a sport supported by parents, students, and the H.H.S. faculty. Head Coach Art Piancone, Coach Bruce Smith, and Coach Chris U'Glay brought our team through another year of ups and downs. The seniors on the team contributed all their efforts to bring excitement and hope to each game. The Chiefs beat Vo-tech and High Point with some hard playing, leaving their final record at 2 and 7. The captains of the team, Vinny Luciani, John Holland and Tony Pinsonault are to be commended for the way in which they handled their responsibilities.

"Participating in football at Hopatcong High School has been a real good experience. Ours was a team that won and lost together. Week after week we came to practice and never had any dissension. Our coaches had a strong dedication to the players."

Tony Pinsonault

"Mr. Piancone and the rest of the coaching staff did a good job of keeping us together. The best games of my four years had to be last year's win against Newton (34-14) and this year's win against High Point (40-22). To the coaches — thanks for everything!"

Soccer

Soccer is a competitive, demanding sport. It is a sport that involves well conditioned athletes and the skill and wisdom of the coaches. This year Hopatcong's team, encouraged by captains Jack Quirk and Mark Aguilar, worked hard and finished the season with a 6-10 and 2 record.

One of the highlights was the second to last game of the season against Sparta. The Chiefs were losing 1-0 and the tension was mounting. Finally in the last quarter, Mark Aguilar scored and tied up the game.

The season was not our best, but it was one we enjoyed, and our future looks very bright.

"The seniors will never forget the times they had. They were the best. We didn't win all the games, but we were never out of them. The last two games of the season were the most memorable. With so many good starters coming back, the future looks bright."

Mark Aguilar

"In 1978 twelve freshmen boys walked on to a field to play organized soccer for the first time in their lives. Mr. From and Mr. Davis took these boys and, over four years made them into a very good team. We have the feeling that all our teammates are our brothers, and, even if we lose, we lose as a team. This was a season to remember because we beat the two best teams in the area. Even without a winning record, we have all been winners!"

Cross Country

1981 was a successful season for the girl's cross country team. They accomplished second place honors in both S.C.I.L. and Group II. Section I. Team captains, Kellie Fox, Lisa Pakutka and Marianne Lamicella, made the season so incredibly enjoyable that no one wanted it to end. When it did end, they had a 7 and 1 record and memories to last a lifetime. A whirlpool of bubbling pride left Coach Ladzinski with the satisfaction of a profitable year and most of all, a season which was thoroughly enjoyed.

"As I completed my senior year of cross country, I consider myself to be rich in the friendships I've shared and the memories that will never be forgotten. Throughout the years Coach Ladzinski has been very helpful, inspiring the team with laughter and enthusiasm. My final season has been a most enjoyable one."

Kellie Fox

"The 1981 season was one of great joy and friendship. Lisa's efforts will never be forgotten and her accomplishments during the past four years at H.H.S. will be extremely difficult to duplicate. The large turnout of freshmen indicates good things in the future."

Marianne Lamicella

"Of my four years of cross country my senior year has been my best. Who can ever forget Mr. Lad's twenty speeches about 110%? He is a great coach. To everyone- always have a goodtime especially your senior year. You're never too mature to throw popcorn."

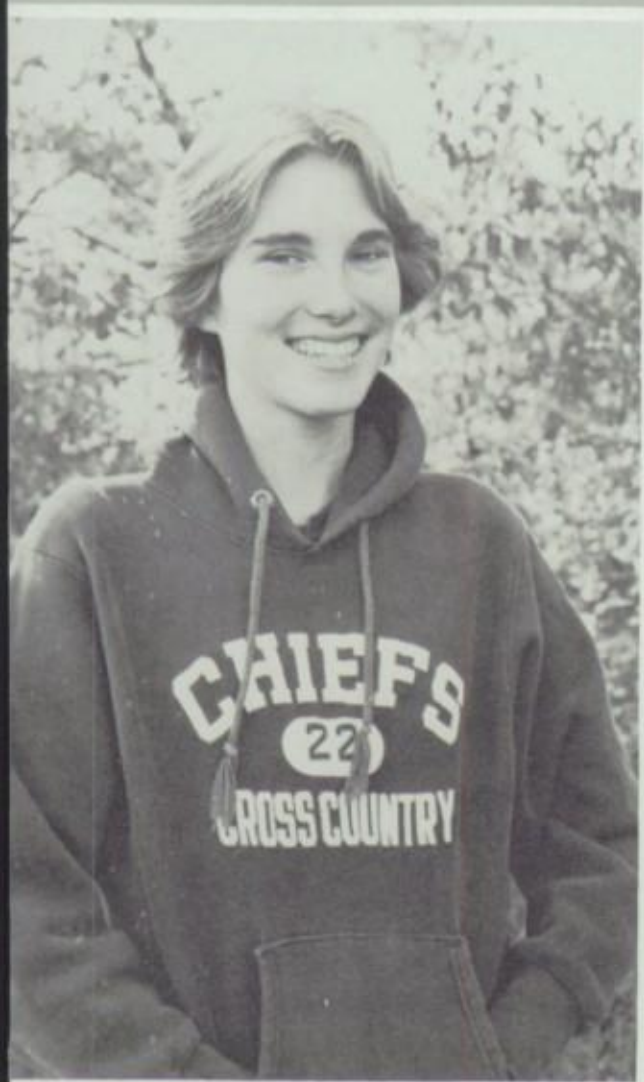

Lisa Pakutka

First row: Lisa Pakutka, Jennifer Oddo, Jennifer Kingshot, Elizabeth DeCoursey, Cassandra Schikkinger, Eileen McGrath. Boys Cross Country

The boy's cross country season was one of achievement and excitement. They had an undefeated season and first place in the Bergen and Bernards Invitationals. Being the Section I Group II champions should be enough evidence to prove that Hopatcong has a reason to be very proud. Jack Kearney and Chris Smith led the team to the state finals where they earned a terrific second place and the respect of everyone. A special thanks goes to Debbie Hodapp for a job well done as the team manager. Also thanks to those lean long legs of Hopatcong's boys Cross Country team; you have earned us a name, a great name.

"Participating in cross country in the 1981 season has been a thrill. My teammates have been very dedicated, from the

number one man right down to the last. Mr. Nagle, the coach of the year in the Daily Advance, is just that! I'm very proud to be a co-captain of the 1981 Boys Cross Country Team."

Chris Smith

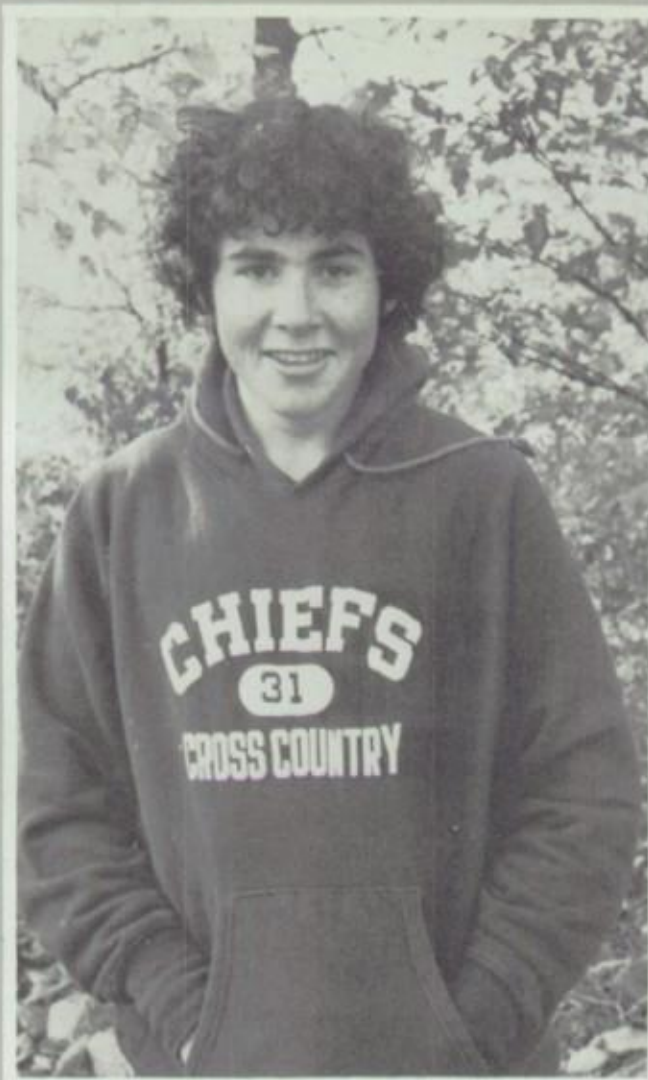

"Cross country, over my last four years, has been an exceptional experience. It takes a lot of dedication and preparation to be a runner. Our program has been at its peak for the last couple of years. To sum up cross country in one word, it would have to be- rewarding."

Field Hockey

The girl's field hockey season, as usual, was full of laughs, lingering aches, and never ending practices. Alison Salmon and Valerie Hazelton set a great example of teamwork, concentration and determination. Coach Magos encouraged and comforted the team through the season.

The defeat of Lenape Valley boosted the morale of the team and made all the work seem worth while.

"Participating on the 1981 Field Hockey Team has meant a great deal to me. There is nothing to compare with the feeling you get after scoring a goal. There were many times when I was really proud of our team. We hung in and tried our best to the final whistle. The day we slipped past Lenape Valley (2-1) the cheering was so loud I couldn't hear myself talk. Congratulations to the 1981 Girl's Field Hockey Team!"

Alison Salmon

"This field hockey season was played with enthusiasm. We always tried working together. This season was the best I can remember, not in record, but in the way we tried!"

Valerie Hazelton

Alison Salmon, Valerie Hazelton
(Co-captains)

There once was a highschool
hockey team
Which never won a game.
They tried and tried to find a way
But always played the same.

And suddenly the coach woke up
and drilled the team to death.
Laps and drills were all called on
Till they were out of breath.

Friday was the next home game;
The coach would show them all.
The game began on the 50 yard
line;
The visitors got the ball.

And when they had come out of

the daze
Not any harm was done.
The coach was asked to tell the
score.
She replied, "None to none."

The two teams battled on and on
And both became very tired.
As the game went on, the fans
watched on.
They became a team admired.

They were deep into the second
half
And no one had a score.
They played real hard and tried
their best
There were only five minutes more.

The ball whipped down the visitors
side.
It was then against the goalie.
They slapped the ball into the net.
The crowd shouted, "Holley
Moley!"

The team had shocked the other
team
And gave themselves a name.
They were proud of their
accomplishment.
They finally won a game.

Wrestling

Lead by a strong bunch of senior and junior matmen, this year's wrestling team proved to be stiff competition for some of the larger schools. The total team losses were fewer and closer than those in previous years. A win scored on the Newton team provided the highlight of the wrestling season. Chris Kelly, a junior, had displayed incredible wrestling abilities and sports a long list of consecutive wins.

"Wrestling for the Hopatcong Chiefs has been a rewarding experience for us. This year the Chiefs accomplished a better record than in the last few years. I'd like to thank all team members and especially Coach Metzgar for making a better year possible. I would like to wish good luck for the oncoming wrestlers and Coach Metzgar for bigger and better years to come at H.H.S."

Scott Szucs

"This year has been more promising than in the past team-wise. There is the individual effort, as always, but the team effort is here. Everyone thinks of the team first, then themselves. It has made us a solid unit. We might not have reached our expectations and goals but we proved that the total effort was there to achieve those goals. Thanks to Coach Metzgar and the fans to make this year a promising one on the way up."

Basketball

Once again, the girls basketball team had an exciting and successful season. The girls held a top spot in the S.C.I.L. and in the newspaper polls. Captain, Sidney Roberts and Allison Salmon led the lady chiefs through the season with their high scoring game averages of 16 and 13 points respectively.

"This year's team has gone from a first game loss to a team not to be taken lightly. We seemed to prove to ourselves and the rest of the SCIL that Hopatcong must be taken seriously. We have proven to be strong athletically as well as proud of our green and white. None of this would have been achieved without the strong ties between the girls and our coach."

Maril White

GIRL'S BASKETBALL

"In the eighth grade we become aware of the winning tradition at Hopatcong High School. As freshmen it was evident that practice and work would be necessary to become a part of the H.H.S. basketball tradition."

We wish to extend a special thanks to the coaches, our teammates, our parents and to the boy's basketball players who helped us prepare for our difficult games.

We have become a part of the tradition through hard work, competitive spirit, and dedication to school and teammates."

Boys Basketball (Varsity)

The 1981-82 Basketball Season was one of the most exciting in Hopatcong H.S. history. The season was highlighted by a fifteen game winning streak and a season-long top spot in the conference and the polls.

"This year's team had a togetherness that no other team had. There was no jealousy on the team. We took losing very hard, but we knew how to bounce back. Nobody on this team was scared to shoot. Every person knew he belonged."

George Laffitte

"It was a great season for all of us. Winning became a habit to us, and we took losing very hard. There was something on this team that is hard to see on the court, but an uncanny friendship between all the players is what brought us together, and to the top."

Hopatcong's 68-64 win over Dover gave Coach Richard Finken the 200th victory of his coaching career. Coach Finken was presented with a trophy from the basketball team, managers, and varsity cheerleaders. He was also given the game ball by the Board of Education. The Coach described his victory as "one of the greatest moments of my life." Tension throughout the game made the event even more suspenseful. The chiefs pulled through with their seventh straight win. Coach Finken's 200th career win was surely "a memorable night."

Cheerleaders

The H.H.S. basketball cheerleaders, both Varsity and J.V., were extremely enthusiastic squads. All our girls had a tremendous amount of pride and "S-P-I-R-I-T!!"

J. O'Donnell

M. Ganguzza

"After four years of cheering at Hopatcong High School, we can look back with fond memories at the many good times we've had, both the ups and the downs. Eventhough it's the longest of Varsity seasons, from August to March, there will always be special memories of the cold weather of homecoming, the **tension** and **thrills** of playing Lenape Valley and Pope John, the joy of winning the state championship, the excitement of cheerleading tournament competition, and most of all, the satisfaction of supporting the athletes of Hopatcong High."

Jo-Anne O'Donnell
Michele Ganguzza

"Being a Co-Captain is a responsibility. Leadership qualities are needed. Being elected Co-Captain halfway through the school year was difficult because I was afraid of not being accepted or taken seriously. The girls, however, were more than willing to make me feel at home in the new position. If everyone works together, cheerleading can be a very rewarding, as well as exciting, experience."

Trish Hlavaty

"Cheerleading plays a big part in the spirit of the school. It involves a combination of hard work and dedication. To be a cheerleader you must acquire patience with yourself and others. We sometimes have our ups and downs but, all in all, I have enjoyed being a cheerleader!"

Cindy Hamill

Mr. Boos, Advisor

Halloween Dance

The first dance of the year was the Halloween dance, sponsored by the Junior Class. A contest was held to choose the best costumes in a variety of categories. Everyone was surprised by the unannounced arrival of several Junior men bearing a coffin. When the lid was opened, out stepped no probable Dracula but Steve Lynn dressed as Dr. Frank N. Furter!

This was the second annual Halloween Dance which will hopefully begin a "bewitching" tradition.

Faculty Play

Whenever a success can be noted, and here we measure success in a variety of ways, attribution for that success may belong to an individual or a small group. But when success becomes repetitive, when growth and progress are obvious, then many people can justly take pride in the achievement.

The faculty play for spring 1981 was just such an achievement. Eighteen cast members, fifteen crew members, and a dozen ancillary workers, and contributors united to produce an original play, became the most ambitious and financially most successful faculty-student production to date. This production continued the participatory expansion of the previous two productions by gaining the invaluable assistance of faculty members and students from buildings and grade levels other than just the high school. The spirit of the volunteer's reached out to new recruits and in new ways. Our Science and Industrial Arts Departments provided much needed expertise and effort and made unique contributions.

Teachers from the Math, Art, English, Foreign Language, Special Education, and Graphic Arts, joined the cast. Every grade level in the high school was represented in the cast or on crew. The sum total in hard figures was five nights of excitement, fun, romance, and adventure that contributed \$2,300.00 to the H.E.A. Scholarship Fund. This figure bested the net profit of the 1980 production "Dracula" by fourteen hundred dollars.

However, these figures and facts are hardly the entire story. It was no longer viable to sit, and talk, and dream. We had to produce, and believe. We were rewarded by the palpable feelings of charity, of the desire to give and assist from so many. From the Sussex County Arts Council's grant award which gave us our start through the final night and beyond, we have the knowledge of success achieved, won by hard work and unity of a very special kind.

Homecoming

Our Queen and her Court

Vinny Toth, Queen Sharon Bickar

Anthony Basciano, Princess Maryann Homan

Michael Greer, Princess Donna Cody

Jeff Schmelter, Princess Sue Eisenberger

This year the Student Council sponsored a very unique homecoming. Among the traditional events of picking the homecoming court, each class presented a spirit float.

On this very cold day, senior Sharon Bickar was crowned Queen. She was escorted by Vinny Toth, also a senior. Juniors, Maryann Homan and Anthony Basciano; sophomores, Sue Eisenberger and Jeff Schmelter; and freshmen, Donna Cody and Michael Greer were all added to the homecoming court.

The first annual class float display was held after the homecoming events. The freshmen class best captured the spirit of Hopatcong High School with the winning float.

"THE WINNING FLOAT AS PRESENTED BY THE CLASS OF '85"

Lisa Pakutka Day

December 4, 1981 was declared "Lisa Pakutka Day" by the Board of Education. The day was set aside to honor Lisa for her accomplishments in track and cross country.

Lisa is truly a winner. In her entire high school career, she has placed second only twice, and all her other races were first place wins. Lisa took first place in the Group II Section I 1979 and 1980 State Cross Country Meets. She also placed first in the 1981 Group II Section I State track meet in the 1,500 meter race.

During "her day", Lisa was driven to school by Mr. Auwerda, and she dined with the faculty. She also visited some of the other schools in town and spoke with the younger students.

The high school assembly, given in her honor, was the highlight of the day. Lisa was presented with awards and gifts from her friends and coaches. The entire student body gave her a standing ovation. With tears in her eyes Lisa said, "Thank You."

Mr. Richard Reilly, Mr. Will Pakutka Mrs. Carol Pakutka, Lisa Pakutka, Mr. John Auwerda, Mr. Wayne Threlkeld, Mr. Richard Finken.

Senior Holiday Show

This year the seniors presented a fantastic holiday show. It was a combination of skits, commercials, and joyous singing. Who could ever forget: Ms. Molden with a pie in her face those wild jean commercials (ooh, la la) Alvin's missing hermonica Grandpa's grief over Grandma's unfortunate demise and, of course, the musical talents of the "Three Doo Doo's and a Wop"? The show was a continuous string of laughter and surprise. The caroling by candlelight, involving all the seniors, brought the show to a festive close. The Senior class's efforts made the show successful.

Volleyball Marathon

This year's volleyball marathon was played to benefit the Cystic Fibrosis Foundation. The marathon raised approximately \$5,000.

Seventy-two Varsity Club members participated and each person played for eighteen hours. The marathon was played between six teams of twelve players each. Team #2, with captain Mark Aguilar, took first place. Team #1, captain Jack Kearney, placed second, and Team #3, with Ted Hadyka, captain, took third place.

The participants worked long and hard to benefit a good cause and the marathoners "had a ball"!!

Cinderella

"I'd like to say thanks to Mr. Schooling, Mr. Hunsicker, Mr. Walsh, and Mr. Menken for making my involvement in drama extremely enjoyable.

I don't think I'll forget the **Diary of Anne Frank** or **Cinderella**. In "Diary" we were able to take a look at the plight of the Jew during WWII. Not only was it fun but also very rewarding.

Cinderella is the last play of my senior year. Mr. Walsh has provided the opportunity to actually walk into a fairy-tale that I heard as a child. It's fascinating to realize that the child's fairy tale is not a simple story to put someone to sleep with but a beautiful, involved drama.

To appreciate the Drama Club you have to experience it."

Parent Messages

Dear Lisa,

We stand here today, the proud parents of a fine new graduate. You have worked hard over the past years, always doing your very best. Today, you receive your reward, a diploma, which was well earned.

Now with college just a few weeks away, your dreams, your goals, will take you far from home. The love and understanding we share will always keep us together, for you have not only been our loving daughter, but our friend. We wish you the best in the years ahead. May God bless and guide you along your new found path.

Love you,
Mom and Dad

Dear Amy,

Well kid you finally made it!!! It was a long four years for all of us, but we always knew you could do it. We always had faith and confidence in you and loved you through it all.

We wish you all the best in your future plans and hope you will always be happy.

Remember - we will always be here when you need us.

Who loves you,
MOM, JEFFY, ELAYNE AND CISSY

Congratulations Joseph

It Certainly Was A Tough 4 Years But You Made It Thanks

We Love Ya
Mom + Dad

To My Daughter Trish Anne

The Treasure You Were When You Were Born, Does Not Compare With The Pleasure You Are Now. I'm So Proud Of You. I Love You My Daughter.

Love
Mom

P.S. Its Nine O'Clock, Have You Hugged Your Mom Tonight?

"Lorri,

Congratulations On Your High School Graduation. We Find Joy And Pride In The Person You Are Becoming. Our Love And Support Will Be Here As You Continue Through This Adventure Called Life.

Love,
Mom & Dad"

A 1982
Daughter

Handwritten text, likely bleed-through from the reverse side of the page. The text is faint and mostly illegible due to fading and the texture of the paper. Some words like "John" and "St. Louis" are partially visible.

John,
Even though I've
known you a long time
and we haven't talked
that much, and all the
problems I still you had w/ your
girls I think a great summer
terrific. Have a great
Hope to see you.
GOOD LUCK

LOV YA
Judy.

John.
You're a really
great person,
and a friend.
GOOD luck in
THE FUTURE KEEP
IN TOUCH (398-4084).
BEST COOL- Party TO THE max!
LOVE
JANETTE

John
good luck in
the army
Paul

John,
I ~~don't~~ don't
know what to write
so, I'll see you over
the summer.
John

John
Remember the dance
and the party after at Rick's
stay cool & keep on drinking.
See you at the party.
Take care! Steve

John
Have a good time
This summer
Tough
Keep you
Love
Scott

John, I was great
to get to know you.
Keep in touch, love you,
sincerely

Johnny Boy,
Great lunch! Good
the future with the chicks
and take care
of my Duster!!!
Jesse

John,
It's been nice
getting to know
you. It was fun
in gym class.
Have a nice
summer. Good
luck in your
future years
Barbara

John,
Have fun over
the summer and
future, hope to see
you around and I'm sorry
things didn't work out for
you and Donna,
P.S. It was really
nice being friends
with you.
Love
Tracy

Johnny
 I've been great partying
 for you over the year, I
 will see you next year
 See you later year
 Eric Potts

John.
Hi, I'm glad
that I got to
you. You a
pissed. I hope
we can keep
in touch this
summer. send
us our list
around the
corner! good
lick
next

John,

tough guy,
good luck with
the woman and
stop parking girls
because you might kill
your dick in a bad ass
good luck, see thi

John, Hey I'm really
glad that I got
to know ya.
Love, Karen

1 am
always
